**Truthfulness-Compassion-Forbearance International Art Exhibition**

Minnesota State Capitol  
North Corridor, First Floor  
June 1 – 15, 2005, 8 a.m. to 5 p.m. daily

These artists are practitioners of Falun Gong. Some of artists are quite well known around the world, and some are still illegally imprisoned in China. The art works are divided into four sections: Harmony, Adversity, Courage, and Justice. They show the beauty and experiences of the artists' cultivation of the principles of "Truthfulness-Compassion- and Forbearance." They show the brutal unfounded persecution of peaceful, good people by China's Communist Regime. The works, the stories behind the works of art and the symbolism used in the paintings have helped many understand these historical events. We hope this will be a rewarding experience for all of you who are able to attend this wonderful exhibit.

The opening ceremony is on June 1<sup>st</sup>, at noon. People will be available for questions. **Please let us know if you will be able to give us a brief speech at the opening ceremony. If you cannot make it, would you please give us kindly greetings for the exhibition?** Thank you very much.
