

Ayd Mill Road

North & South Bound

Traffic counts are from <http://www.ci.stpaul.mn.us/depts/publicworks/aydmillroad/>. No adjustments have been made to account for seasonal or weekday variation. The last four columns indicate the percentage change between each test day and the total percent change over the test period to date. Color codes highlight counts that are significant increases or decreases.

Street	Location	Day	Date	CHANGE
