

SUPPLEMENTAL RULES AND NOTES FOR "BOWLED OVER, CLASSIC BOWL BOUND CHARTS". (NOTE: THESE RULES ARE MANDATORY)

1) ALL OFFENSIVE PARENTHESIS ARE VOID (DO NOT EXIST) ON TWO POINT CONVERSION ATTEMPTS AND FOURTH DOWN PLAYS. THEY ARE USED IN ALL OTHER SITUATIONS.

2) A BK RESULT ON A PUNT OR FIELD GOAL ATTEMPT REPRESENTS EITHER A FUMBLE SNAP OR A BLOCKED KICK. A ROLL OF THE DICE WILL DECIDE WHO GETS TO CHOOSE WHAT OCCURRED.

3) THE WILD CARD DEFENSE IS NOT ALLOWED.

4) A COMPLETION OR INTERCEPTION BEYOND THE END LINE IN THE END ZONE ACTUALLY OCCURS NINE YARDS DEEP IN THE END ZONE. THE QB ROLLED OUT OR SCRAMBLED AND THREW THE PASS FROM ONE SIDE OF THE FIELD TO THE OTHER SIDE.

5) VARIABLE YARDAGE RESULTS:

DS = DIRECT SUM OF THE NUMBERS ON THE THREE OFFENSIVE DICE.

(ADD THE THREE NUMBERS TOGETHER)

X = 40 MINUS ONE ROLL OF THE OFFENSIVE DICE.

T1 = ONE ROLL OF THE OFFENSIVE DICE.

T2 = TWO SEPARATE ROLLS OF THE OFFENSIVE DICE ADDED TOGETHER.

T3 = THREE SEPARATE ROLLS OF THE OFFENSIVE DICE ADDED TOGETHER.

EXAMPLE # 1: YOU ROLL A 3 ON THE BLACK DICE AND A 2 AND A 5 ON THE WHITE DICE. THE OFFENSIVE TOTAL IS 37; DS = 10; X = 3; T1 = 37. EXAMPLE 2: YOU ROLL A ONE ON THE BLACK DICE AND A ZERO AND A THREE ON THE WHITE DICE. THE DICE TOTAL IS 13; DS = 4; X = 27; T1 = 13. IN COMBINATION WITH EXAMPLE #1, A T2 WOULD EQUAL 50.

6) AN OFFENSIVE OR DEFENSIVE PENALTY WITH AN "R" OR "S" NEXT TO IT WILL REQUIRE YOU TO ROLL THE OFFENSIVE DICE AGAIN AND REFER TO THE VARIABLE PENALTY YARDAGE CHART.

7) THE LET THE BALL ROLL RULE IS NOT ALLOWED ON PUNT RETURNS OR KICKOFF RETURNS.

8) AN * NEXT TO A PUNT INDICATES THAT A PUNT RETURN IS NOT ALLOWED. THE PUNT WAS OUT OF BOUNDS OR A RETURN WAS ATTEMPTED BUT THE PUNT RETURNER WAS TACKLED WITH NO GAIN.

9) IF THE DEFENSE RECOVERS A FUMBLE, THERE IS THE POSSIBILITY OF A FUMBLE RETURN. THE DEFENSE IS ALLOWED A ROLL OF THE DICE IF THEY RECOVER THE FUMBLE. IF A DICE ROLL BETWEEN 20-29 OCCURS, THE DEFENSE IS ALLOWED ANOTHER ROLL OF THE DICE USING THE INTERCEPTION RETURN COLUMN.

10) A FUMBLE BEYOND THE END LINE IS A TOUCHBACK OR A SAFETY. THIS DEPENDS ON WHICH TEAM FUMBLE IN WHAT END ZONE. EXAMPLE: IF THE OFFENSE FUMBLE BEYOND IT'S OWN END ZONE END LINE IT IS A SAFETY. IF THEY FUMBLE BEYOND THE END LINE OF THE DEFENSES END ZONE IT IS A TOUCHBACK AND THE DEFENSE GETS THE BALL AT THEIR OWN 20 YARD LINE.
