YOUTH AGAINST WAR AND RACISM!

***Start a YOUTH AGAINST WAR AND RACISM chapter at your school!**

First, contact us to discuss how to get started. We can also supply you with leaflets, membership cards, buttons, and petitions (or download these from the website). After that...

- Check out our website at www.yawr.org <<http://www.yawr.org>>. At the website, sign onto our city-wide YAWR email list to keep in touch and learn what's happening around town.

- Set up a time and place for a first meeting a week or so from now. Pass out leaflets with the meeting time and place to all your friends and classmates to build for the meeting (visit our website to download leaflets.)

- Find a supportive teacher who will help you get an official YAWR club set up at your school and a classroom to meet in.

- Pass out YAWR membership cards to your classmates and collect their emails and phone numbers so you can keep in touch.

- Distribute leaflets for upcoming anti-war protests and events. The next big city-wide protest will be on March 19th, the second anniversary of the US invasion of Iraq. Check out the YAWR website for details.

- If military recruiters are targeting your school, start a petition drive to demand they be kept out. When the military recruiters show up, set up a counter-recruitment table next to them, pass out informational flyers, and hold an after school teach-in about the realities of war and the military. We can help you find good speakers.
