

***The Minnesota Section of the Society of Mining Engineers (SME)***  
In association with the  
***Geological Society of Minnesota***

Is proud to sponsor the **SME/GSM Fall Outing**, featuring a cruise on the Mississippi River near downtown Minneapolis and historic St. Anthony on the riverboat

**Betsey Northrup**

Nonmembers and guests are welcome!

**Guest speaker Prof. Calvin Alexander** of the Dept. of Geology and Geophysics of the University of Minnesota will give a talk for general audiences on the history of St. Anthony Falls and the geology exposed along the Mississippi River. He and our ship Captain will describe other sites of interest, including the Stone Arch Bridge, the lock and dam system, the original Pillsbury buildings, and recent archeological discoveries.

*When:* Saturday, October 11, 2003  
Please arrive for boarding at 12:30 pm. Cruise until 4:00 pm.

*Where:* Convenient parking at Boom Island Park, 8th Ave. NE & Sibley St., NE Minneapolis. See map on reverse side.

*Cost:* \$35.00 per person. This includes the cruise and a delicious luncheon buffet with cash bar.

*Afterwards:* Explore the unique shops in the area and check out the fine restaurants. For inexpensive genuine Eastern European ethnic dining, we recommend *Kramarchuk's Sausage Co.*, 215 E. Hennepin Ave.

**A GSM waver is enclosed and should be signed and brought to the boarding ramp.**

*Information:* Call David Hopstock, 651-636-2967, or Bill Robbins, 651-733-9894  
e-mail: hopstock@iee.org or [wbrobbins@mmm.com](mailto:wbrobbins@mmm.com).

.....  
Please cut off and return by Sept. 19th with your check made out to  
**Twin Cities Subsection SME** to David Hopstock  
2126 South Rosewood Lane  
Roseville, MN 55113
